RE: PICKLES BIBRA LAKE FIRE

Just after 5:00 p.m. AWST on Friday 28 April a fire broke out in a storage yard that housed salvage vehicles at the Pickles Bibra Lake branch.

Damage was contained to one area of a storage yard affecting 60 salvage vehicles and associated racking, with residual damage received to vehicles immediately surrounding the blaze. There was no damage to warehouse facilities or offices, and no injuries.

A Pickles spokesperson said: "Operations have not been affected and the Bibra Lake branch is running as business as usual. We would like to thank the swift response of the Cockburn Central CFRA Fire Station and the Murdoch Fire Station."

Pickles and authorities are currently investigating the cause of the fire.
