# Sell It At Pickles

## PICKLES NOVATED REMARKETING TEAM WILL:

- Payout your residual value on the due date – even if the vehicle has not yet been sold on your behalf
- Sell your vehicle from one of our 19 auction facilities nationally (in all capital cities and large regional centres)
- Maximise the sale price on your vehicle - and help you avoid a low trade-in value
- Provide a stress-free means of selling your vehicle
- Assist lessee's who know they have a shortfall between market value and their residual position or payout value

Pickles Auctions offers you a convenient solution to selling your novated leased vehicle at the end of your lease, taking the stress out of paying the large residual and helping you get the maximum profit for your vehicle.

Pickles has more than 30 years of industry experience and sells more than 100,000 vehicles each year across our 19 branches nationally. We'll get you the maximum return on your novated lease vehicle!
