Australia's Leading Auctioneers

Introducing Fixed Price Trucks

Under instructions from finance and fleet companies. Purchase late model quality used trucks, machinery and earthmoving equipment below retail price, directly from us.

- ✓ Prices below retail
- ✓ Save thousands
- ✓ No haggling

Items in a Fixed Price Truck sale are available for up to six weeks (unless purchased before hand), then they must go to auction through our monthly Truck, Machinery & Earthmoving Plant Equipment Auctions across Australia.

To purchase simply visit <http://www.pickles.com.au/trucks/fixed-price/> for the fixed price truck of your choice and then contact the relevant Pickles branch to arrange an inspection today!

Updated regularly: New trucks are being added all the time so visit us regularly at
