Christmas Has Come Early ... in 1976

Pickles Unveils a Retro Time Capsule of Bikes, Trikes, and Backyard Legends

11 December 2025: Pickles is delivering the ultimate Christmas throwback this year, unveiling a stash of classic BMX bikes, dirt bikes, trikes, and go-karts that will catapult Australians straight back to the summers of their childhood.

Launching 12 December, the National Classic Cars & Collectibles Auction features a private collection that looks like it's been lifted straight from a 1970s or 80s Christmas catalogue – the bikes kids begged for, raced on, crashed, customised, and loved to bits.

Alex Moore, Pickles Regional Sales Executive, says the nostalgia is instant the moment you walk into the Altona branch.

“Everyone who sees the collection says the same thing – ‘I had that one!’ or ‘My mate stacked that exact model into a tree.’ These bikes and trikes are pure childhood. It's a rare chance for people to reclaim the wheels they wanted back then, and maybe even pass them on to their own kids.”

The retro lineup features:

- Vintage BMXs that defined suburban summers and first freedoms
- Classic dirt bikes that smell like school holidays and backyard heroics
- Old-school trikes and go-karts that terrorised siblings, fences, and letterboxes
